

Thermostat control from
the comfort of anywhere.

Connectivity: simplified

With the Wi-Fi VisionPRO® 8000 and Honeywell's Total Connect Comfort services, you can monitor and manage comfort and energy usage anytime, anywhere.

ENERGY SAVINGS

Program your thermostat to help reduce your annual heating and cooling bill.

SIMPLE SETUP

Easy-to-follow menus guide you through the scheduling process.

BUILT-IN FRESH AIR CONTROL

Integrated fresh air ventilation uses Wi-Fi weather data to prevent pulling in hot, cold, or humid air.

AUTO ALERTS

Get alerts on your smartphone or tablet when the temperature in your home gets too hot or too cold.

REAL TIME CLOCK

Automatically updates for daylight savings and keeps time in the event of a power failure.

5-YEAR WARRANTY

Backed by the most trusted brand in the industry.

Comfort control no matter where you go

Easily adjust system settings with a smartphone or tablet when you're home or when you're away. All you need is Honeywell's Total Connect Comfort app for iOS and Android™.

- Stay connected when you're at work or on vacation
- Get system alerts if temperatures get too hot or too cold
- Manage multiple thermostats with one app if your system is zoned
- Access multiple locations with one app if you have more than one property

Once your thermostat is installed by your heating and cooling professional, go online to **mytotalconnectcomfort.com** to create an account. Then, install the FREE app.
